

BUFFALO TRACE HERD BUILDER SALE

**October 27, 2018
2:00 PM**

**Blue Grass Maysville Stockyards
Maysville, Kentucky 41056**

**Sponsored by Bluegrass Maysville Stockyards and Mason County Cattleman's
Association.**

Welcome to the Annual Herd Builder Beef Heifer Sale sponsored by the Mason County Cattleman's Association and the Blue Grass Maysville Stockyards.

The quality of cattle represented here is some of the finest offered for building a commercial cow-calf herd. EPD's are available on service sire of calves. All heifers have been through a rigorous health and selection evaluation as outlined in the requirements section. The heifers have been examined by certified veterinarians to ensure pelvic measurements; reproduction tract scores and pregnancy diagnosis are properly documented. This insures that these heifers are ready to go to work for you. In addition to the state guidelines, all heifers are PI Test negative and had to meet a minimum weight of 950 pounds at fall tagging dates.

Each of you are serious about the beef industry or you wouldn't be here today. Cattle such as these represented here can help you in your commercial operation. A sound evaluation of your breeding needs and your cattle program will help make this possible.

Good luck to each of you in your cattle endeavors.
