KENTUCKY CPH REQUIREMENTS

1. Owned by seller a minimum of 60 days.
2. Weaned a minimum of 45 days.
3. Trained to eat feed from a bunk and drink water from a trough. (Do not overfeed; fleshy calves should be avoided and are likely to be discounted.)
4. Dehorned and healed (no visible horns or scurs).
5. Males castrated and healed (knife castration is strongly recommended). Late castrated calves may lead to stags, which are discounted. *The scrotal sac with testicles must have fallen off "banded" calves.*
6. Treated for grubs and lice according to label recommendations for time of year.
7. Dewormed with an endectocide a maximum of 60 days before the sale.
8. Vaccinated for Clostridia (7-way) subcutaneously in the neck.
9. Vaccinated and boosted for IBR, PI₃, BVD, and BRSV (booster injection for viral diseases must be modified live vaccine)
10. *Vaccinated for *Manheimia haemolytica* (*pasteurella*)*

Note: All vaccines are boosters must be administered no more than 90 days and at least 14 days prior to sale. (See chart below for yearling cattle).

11. All processing recorded on body map and chart on CPH certificate.
12. Identified with official Kentucky CPH tag.
13. Heifers are guaranteed open at time of sale and steers are guaranteed not to be bulls. Seller agrees to reimburse buyer \$200.00 for pregnant heifers or intact bulls. All claims must be properly verified by a veterinarian within *four (4) months* of sale.
14. Calves must have access to a free choice mineral supplement which contains a minimum *1,400 ppm copper* (no copper oxide), *26 ppm selenium*, *3,000 ppm zinc*, *3,000 ppm manganese* and 18- 25% salt based on a 4 oz. daily intake. No other salt available.

BACKGROUNDING OPTIONS – Check if this applies
 (calves weaned a minimum of 90 days before sale)

1. Same requirements as above except that backgrounded cattle do not have to be revaccinated prior to sale provided they were vaccinated and boosted according to label guideline time limits for the diseases listed above in item 9. Backgrounded cattle must meet the guidelines in item 7 (dewormed within 60 days of the sale).
2. Grub and lice treatment according to label recommendations for time of year.

I certify that the cattle represented on this certificate adhere to the above requirements and that this record is accurate.

 Signature of Owner Date

I certify that *I have inspected the cattle* represented on this certificate and they were observed to be weaned, eating feed from a bunk and drinking water from a trough or conform to the backgrounding requirements. *They are being fed a mineral supplement that meets the requirements listed above.*

 Signature of County Extension Agent Date

OPTIONAL (Owners are responsible for checking and adhering to local sale requirements) I have a valid veterinarian-client-patient relationship with the cattle and their owner and certify this record to be accurate.

 Signature of Veterinarian Date

PROCESSING MUST BE RECORDED ON REVERSE OF CERTIFICATE

Photocopy certificate if copies are required for records. Contact County Extension Agent for Agriculture for inspection.

Date calves were weaned _____

I certify that the animals under this agreement are Process Verified (PVP), which means they were born and raised on my farm prior to selling or I maintain documentation certifying the farm of birth and country of origin.

I certify that the animals under this agreement are age verified under the following criteria:

The calving season for this calf crop began on _____, _____

By signing this document, I attest that this information is true and accurate. I acknowledge that my participation in origin verified marketing programs implies my consent for the data collected to be used to support any claims represented in those marketing initiatives. If I present an animal into the system that is traceable to an entity other than my own, I assume the responsibility for providing proof of my ability to substantiate that claim in the event of an audit or a traceability event. This information is subject to audit and may be accessed in the event of an audit.
